My name is Kyle Blied, and I am currently a twenty-year-old graphic designer who has been studying at Finger Lakes Community College for the last two years, and will be graduating in May 2016 with my Associates in Graphic Design. I have always been a person of simplicity and that really shows in my work. Over the last few years of studying at Finger Lakes, I have really started to develop my own taste and signature look for designs. I hope you enjoy your stay here on my portfolio and feel free to contact me for any business inquiries.
